PUBLIC NOTICE

INVITATION TO PUBLIC CONSULTATIVE FORUMS FOR PREPARATION OF FINANCIAL YEAR 2022/2023 BUDGET ESTIMATES

The County Government Act 2012, PFM Act 2012 and the Constitution of Kenya 2010 call for public participation to enhance accountability and transparency in matters relating to public finance. Cognizant of the above and with reference to the revised budget calendar, the County Government of Nakuru is in the process of preparing its budget estimates for Financial Year 2022/2023 and the Medium Term. The budget being a key economic policy document will lead to realization of County strategic initiatives.

The County Government of Nakuru therefore wishes to invite the residents of Nakuru to take part in the process through:

1. Giving proposals on programmes and projects to be implemented by the County Government of Nakuru during FY 2022/2023 at the Ward levels in compliance with Sections 6 and 7 of Nakuru County Revenue Allocation Act of 2018 and County Integrated Development Plan (CIDP) 2018-2022.
2. Identification of possible sources of funding for projects, strategies and cost saving measures and investment.

The County Government of Nakuru therefore requests all residents, organized groups, professionals, development partners and investors to attend and make contributions during the consultative public forums. The public participation forums will be held in strict adherence to the directives issued by the Ministry of Health to avert the spread of COVID-19. All participants will be required to properly wear their face masks, ensure they observe Social distance and sanitize/wash their hands.

Project identification forms can be downloaded from the County Website (nakuru.go.ke) or collected from the various Ward offices for the above purposes and to guide deliberation during Public Participation Forums.

The forums shall take place from **9.00am** on the dates and venues indicated below:
