# BACKGROUND

The FY2022/2023 budget coincides with the end period for the implementation of the CIDP 2018-2022, and will usher in the third County Government administration and consequently the CIDP 2023-2027. It will also usher in the next MTP IV period (2023-2027). The County Government will thus focus on implementation of key agenda articulated in the Governor's Manifesto as well as integrated priorities contained in the National Medium-Term Plan (MTP) IV.

To enhance County local revenue as a proportion of total revenues, the County Government shall focus on maximization of OSR through formulation of Finance Bill 2022 observing the emerging issues and current constraints in local revenue administration, leveraging on the new revenue management system i.e. County Integrated Financial Operating Systems (CIFOMS), enhancing checks and controls to reduce revenue leakages and enforcement and debt recovery measures. For convenience in payment of taxes, fees and charges the County Government advocates for the use of USSD code \*703# which can be used to pay Parking fee, Cess and Market fees.

The County will also focus on completion of ongoing projects as well as operationalizing complete projects so as to achieve their intended objectives. The County will further make necessary provisions to offset the reclassified pending pills.

The County's total revenue projection for FY2022/2023 is Ksh. 17,142,914,490 out of which Ksh. 1.980 billion will be raised from local sources, Ksh. 1.3 billion as FIF, Ksh. 13.026 billion from National Government transfers and Ksh. 836 million as conditional grants. Overall expenditure including donor funding will equal the County's revenue at Kshs. 17.142 billion. Salaries and wages will account for Ksh. 7.466 billion (43.6%), Operations and Maintenance Ksh. 4.538 billion (26.5%) and development expenditure Ksh. 5.137 billion which translates to 30% of the total expenditure. The development expenditure includes an allocation of Ksh. 1.6 billion for Ward based projects.

#### ECONOMIC PROSPERITY FOR ALL

#### PROMOTION OF ACCESSIBLE AND AFFORDABLE HEALTHCARE FOR ALL COUNTY RESIDENTS

The County Government continues to prioritize performance of the health sector in order to improve access to quality, and affordable health services. The County Government's strategy in healthcare is to build a strong referral system. The County has 15 Level-IV health facilities, eight of which were upgraded in the last MTEF period. The County has prioritised operationalization and expansion of infrastructure as well as services offered in the current MTEF period. The PGH Level-V hospital has been a major beneficiary of modern state-of-the art infrastructure such as Margaret Kenyatta Mother-Baby Wing and Outpatient Department Block. Further, the hospital introduced new specialised services such as renal and oncology services.

Some of the other planned outputs for FY2022/2023 include:

- Operationalization and Equipping of Outpatient complex at a cost of Ksh. 190 million.
- Purchase of plant, machinery, medical and dental equipment for Level IV and V facilities at a cost of Ksh. 202 million.
- Ongoing upgrading of Molo Sub County Hospital at a cost of Ksh. 40 million.
- Ongoing construction of Njoro Level 4 Hospital at a cost of Ksh. 47 million.
- > Equipping of new facilities at a cost of Ksh. 37 million.
- **Ksh. 86.8 million** being stipend for Community Health Volunteers.
- Ksh. 786 million for purchase of medical drugs and other non-pharmaceutical items.
- Conditional grants from state and non-state actors in the Health Sector including Danida grant of Ksh. 22 million and Ksh. 110 million for Leasing of medical equipment.

#### ACHIEVING FOOD NUTRITION, FOOD SECURITY AND PROMOTION OF AGRI-BUSINESS

The Agriculture Sector is the biggest contributor to the Gross County Product, and provides employment to thousands of County residents. By supporting large-scale production of staple and commercial crops implementation of programmes that support smallholder farming, promoting the use of appropriate farming techniques and by sensitizing farmers through training VTCs, the County Government has been able to make significant milestones towards attaining sustainable thresholds of food nutrition and food security. The County Government will prioritize Sectoral policies aimed at increasing food production and produce commercialization to domestic and foreign markets.

The County Government will also continue to reach out to farmers through extension services across all Sub Counties with the aim of equipping farmers with the right skills on proper farming methods. Some of the innovations in extension services include the ICT Hub at ATC-Soilo, the KCEP-CRAL e-voucher system and the Farmer Mediated Videos. The County shall also continue to leverage on support from development partners in an attempt to reduce the notable budgetary

gaps in the Agriculture Sector. Donor programs in the sector include National Accelerated Rural Inclusive Growth Project (NARIG-P) and Agricultural Sector Development Support Programme (ASDSP II). Other partners include IFAD and European Union who support KCEP-CRAL Programme which aims to reduce rural poverty and food insecurity among smallholders in Kenya's arid and semi-arid areas.

To achieve it's planned programmes, the County has:

- > Allocated Ksh. 19.8 million for veterinary Supplies and Materials.
- Allocated **Ksh. 30.8 million** for purchase of Vaccines and Sera.
- Allocated Ksh. 20 million being counterpart funding for Nakuru County Dairy Processing Plant: World Bank Co-Funded Community Driven project.
- Allocated Ksh. 18.5 million for acquisition of supplies for production.
   Allocated Ksh. 10.8 million for purchase and distribution of pyrethrum seedlings to farmers in Nakuru County
- Allocated Ksh. 10 million for Avocado promotion in the County
- Allocated Ksh. 18 million for supply and delivery of six weeks (6 weeks) improved kienyenji chicks
- > Allocated Ksh. 10 million for completion of Eburru/Mbaruk Slaughter House

- Received conditional grants amounting to Ksh. 279 million for National Agricultural and Rural Inclusive Growth Projects (NARIGP) and Agricultural Sector Development Support Projects (ASDSP II) from the World Bank and Swedish Government respectively.

#### EXPANSION OF PHYSICAL INFRASTRUCTURE AND OPERATIONALIZATION OF SOCIAL INFRASTRUCTURE

Infrastructural development is a key enabler in achieving the goals and objectives of all other sectors of the Economy. Efficient infrastructure also significantly improves service delivery and further contributes towards reduction of the costs of doing business.

During the MTEF period 2022/2023-2024/25, the overriding priority will be to ensure completion of the ongoing projects and operationalization of all completed projects. In the Infrastructure Sector, the County also plans to tarmac new road networks through KRB, grade and gravel roads under the Boresha Barabara initiative and under contracted works; construct motorable and foot bridges, construct new drainage network, Table 10, bridges, construct new drainage network, the contracted works.

rehabilitate bus parks, install new and maintain existing streetlights. To boost firefighting the priority will be to construct additional fire stations, recruit firefighters and issue compliance certificates. To increase water and sanitation coverage over the next MTEF period, the County Government through the Department of Environment, Water, Sanitation and Natural Resources will prioritise completion of all ongoing water projects, solarization of boreholes, rehabilitation of water projects, identify and drill additional boreholes where necessary.

The County Government will also leverage on the expanded ICT infrastructure to promote digitalization and digitisation of County Services. Through the ICT Department, the County will undertake more expansion of LANs, WANs and WIFI spots in various County Offices and sites, and complete the installation of the County data centre.

Other key allocations in the FY 2022/23 include:

- Ksh. 90 million for payment of streetlights electricity bills.
- Ksh. 20 million for rehabilitation of plants and equipment.
- Ksh. 62.8 million for rehabilitation of urban and rural access roads.
- Ksh. 49 million for construction and rehabilitation of drainages and bridges.
- Ksh. 20 million for rehabilitation of streetlights.
- Ksh. 175 million unconditional grant for Road Maintenances (RMFLF).

#### CREATING ENABLING ENVIRONMENT FOR BUSINESS

The County Government has been pursuing policies aimed at promoting the productive participation of the private sector through deliberate multi-sectoral initiatives that focus on the ease of doing business. The Gross County Product (GCP) 2019 study by the Kenya National Bureau of Statistics (KNBS) ranked Nakuru County 2nd in the National GDP contribution at 6.1 percent, after Nairobi. The granting of City status is likely to attract development of advanced economic and social infrastructure by both levels of Government. Further, the listing of Nakuru Town among the 49 new cities under UNESCO Creative Cities Network (UCCN) by the UN is expected to market Nakuru globally and strengthen creation, production, distribution and dissemination of cultural activities, goods and services.

The County plans to hold an annual investment exhibition and other forums including round table discussions between County Departments and stakeholders to provide opportunity for engagement between the public sector and the private sector. To further improve administration and management of fees, charges and taxes, the County will continue to pursue a business-oriented approach through automation of revenue services, pursue a harmonised tax regime in business licensing and continuously engage all rate payers through the public participation in the formulation and implementation

of the County Finance Bills.

The County will continue to leverage on the ongoing National Government infrastructure projects which are expected to improve the County's business environment. Some of these include the ongoing Nakuru International Airport Project (Phase 1) at Lanet, the SGR phase 2A to Maai Mahiu terminus, Inland container depot and the Naivasha Special economic zone (1000-Acres), dualling of Nakuru-Nairobi Highway and the Modern multi-storey market at Old Fire station (Bondeni). The National Government allocated the County Government with 50 acres for complementary investments by Nakuru County residents at the Maai Mahiu Special Economic.

To achieve its objectives, the County has allocated:

- Ksh. 25 million for Trade Fund
- Ksh. 10.5 million for purchase of milk coolers, vegetable solar dryer
- ✓ Ksh. 17 million for construction of Business incubation centre in Bondeni
- ✓ Ksh. 55 million for construction and rehabilitation of markets
- Ksh. 7 million for promotion of local Tourism.
- ✓ Ksh. 4 million for establishment of a Rehabilitation centre

#### ENHANCING GOVERNANCE, TRANSPARENCY, ACCOUNTABILITY AND HUMAN RESOURCE PRODUCTIVITY IN THE DELIVERY OF PUBLIC GOOD AND SERVICE

The focus in achieving good governance, transparency and accountability envisaged in the Constitution of Kenya 2010 shall entail employee performance management, training and development, recruitment, induction and deployment and strengthening of internal control systems. In the next MTEF period, Departmental performance champions shall spearhead performance contracting and performance appraisal in their Departments. To enhance service delivery to the public, staff training shall be conducted. Aligning of trainings to staff's schemes of service to further promote employee performance and efficiency shall continue. The County

Government will also form an advisory Committee on Succession Management with linkages to budget making processes, an area that was highlighted in the human resource audit reports owing to ageing workforce.

Other areas of focus on improving human resource productivity will entail:

- Operationalization of the comprehensive medical cover scheme through the staff NHIF at a cost of Ksh. 98 million.
- Rehabilitation and construction of Sub County/Ward Offices in selected Sub Counties at a cost of Ksh. 49.8 million.

#### ENVIRONMENTAL PROTECTION, WATER, AND NATURAL RESOURCES

Increasing access to clean water and sanitation facilities is one of the global commitments under the Sustainable Development Goals. Going forward the Sector will concentrate on the Integrated solid waste Management, tree growing, greening and beautification, pollution control on lentic-lotic ecosystems, air, land, noise and other public nuisance, Environmental education through creating awareness on environmental degradation, inculcating knowledge and skills on sound environmental management in order to change their attitudes towards the environment, and eventually participate in environmental management. To

increase water and sanitation coverage, the County Government through the Department of Environment, Water, Sanitation and Natural Resources will prioritise completion of all ongoing water projects, solarisation of boreholes, rehabilitation of water projects, identify and drilling of additional boreholes where necessary, constructing water dams/pans, desilt water pans/dams and construct Public toilets in strategic areas.

In regards to mainstreaming of climate change, the County approved the Climate Change Act 2021, and already an allocation of one percent of the equitable share development expenditure has been made to support the implementation of the underlying objectives under this Act. This move further enabled the County to access more funds as grants from World Bank through "Financing locally Led Climate Action (FLLoCA)".

Other key targets in the Sector include:

- Ksh. 66.9 million for engaging of staff on casual basis for cleaning and waste management in the County's Urban areas.
- Ksh. 23 million being counterpart funding for Salgaa Area Programme (World Vision)
- **Ksh. 28.9 million** for drilling of boreholes, construction and completion water projects.
- Ksh. 43.5 million for purchase of Waste compactor truck and Bull Dozer (Shantui SD 32).
- Ksh. 7.3 million for Planning and development of Gilgil sanitary landfill.
- Ksh. 33.3 million for Climate Change Mitigation Programme.

#### EDUCATION, SOCIAL PROTECTION, CULTURE AND RECREATION

#### Education

The role of the County under this Sector is to provide quality pre-primary education and to impart technical skills and appropriate science and technology to youth trainees with a vision of a globally competitive education, training, research and innovation for sustainable development and a mission to provide, promote and coordinate quality education and training. For the 2022/23-2024/25 MTEF period, the priorities of the Sector include equipping ECE Centres with furniture and outdoor play equipment, establishing vocational training and pre-primary centres of excellence in every Sub-County, providing ECE teachers to all public ECE Centres and instructors in public VTCs. The County plans to

construct and equip four Hostels to attract more students as well as design and construct 10 Libraries which are to be constructed in the Centres of Excellence and other Training Centres.

To enable implementation of various programs, the County has allocated:

- ✓ Ksh. 156.8 million for payment of salaries for newly engaged Vocational Instructors and 300 ECE Teachers.
- ✓ Ksh. 120 million for County bursary scheme.
- ✓ Ksh. 15 million for school feeding programme.
- ✓ Ksh. 13.9 million for construction of 2 ECE Centres of Excellence.
- ✓ Ksh. 10 million for completion of Resource Center Nakuru Phase 2.
- ✓ Ksh. 10.7 million for equipping Youth Polytechnics.
- ✓ Unconditional allocation of Ksh. 126 million for rehabilitation of Youth Polytechnics as per capitation of trainees.

#### Social Protection, Culture, Sports and Youth Empowerment

Since devolution the County Government has sought to formulate and adopt relevant policies and legislation for protection and development of the Social sector in line with the Constitution of Kenya. In the next MTEF period, the County will concentrate more on completion of ongoing projects, developing and equipping of cultural centers, refurbishment and equipping of Social Halls as well as sports grounds and stadiums across the County, equipping Street Families Dropping Centre at Njoro Home Craft and completion of Keringet Sports Centre.

The County Government therefore shall continue allocating resources and developing policies aimed at promoting arts and crafts, investing in social halls and cultural centres open to the public and creating enabling

environment for the private sector to supplement it through facilities such as Njoki Karuoya Creative and Media Centre, Honeymoon Hill and Bomas of Nakuru that augment the creativity of artists.

In the FY 2022/2023, the County has allocated:

- Ksh. 27.5 million for promotion of sports and youth activities
- Ksh. 22.5 million for staff sporting activities including KICOSCA, KYISA
- Ksh. 13 million for expansion of GBV Rescue Centre in Gilgil
- Ksh. 10 million for rehabilitation and equipping of the drop-in centre at Njoro Homecraft
- Ksh. 47.8 million for establishment of Sports Centre at Keringet

> Ksh. 10 million for renovation of the Textile Hub for the Nakuru County Youth Engagement Programme

#### LAND, HOUSING AND PHYSICAL PLANNING

This Sector plays an important role in the socio-economic development of Nakuru County given that its operations revolve around land, a key factor of production. It is a key enabler of the Big Four Agenda on housing as well as Sustainable Development Goal number 11 that seeks to make Cities and human settlements inclusive safe, resilient and sustainable.

The County plans to focus on the implementation as well as completion of various ongoing projects. Approval of the County Spatial Plan, Valuation Roll and Land Information Management System will be a key priority. The Sector will further roll out the Kenya Informal Settlement Improvement Program (KISIP) Phase II towards infrastructure development in informal settlements

within the County. Towards this, the County has received Ksh. 300 million from the World Bank vide the National Government for actualization of the same. The County also plans to operationalize Gilgil and Molo Municipalities after awarding of Charters by H.E the Governor.

Some of the other initiatives planned for the FY 2022/2023 include:

- ✓ Ksh. 10 million for Preparation of Integrated Strategic Plans for Gilgil and Molo Towns.
- ✓ Ksh. 15 million for Survey Of Trading Centres
- ✓ Ksh. 24.5 million for County Land Titling Programme
- Ksh. 15 million for Construction and equipping of four ABMT Centres and acquisition of Hydraform Interlocking stabilized soil blocks machines
- ✓ Ksh. 300 million for World Bank funded KISIP II programme

#### NAKURU CITY AND NAIVASHA MUNICIPALITY

Nakuru City, formerly Nakuru Municipality was upgraded to City status by H.E President Uhuru Kenyatta following his awarding the City a Charter. This made Nakuru go down in history as the first City to be awarded a Charter under the Constitution of Kenya 2010. Nakuru City now becomes the fourth City in Kenya after Nairobi, Mombasa and Kisumu. Nakuru City is expected to have the ripple effect of attracting direct funding to the City for various infrastructure and social programmes including foreign direct investment. Businesses including hospitality industry are expected to record an upsurge in visitors owing to the influx of visitors in the City.

Naivasha Municipality has also witnessed increased

activity in the Municipality including the hosting of FIA World Rally Championship. The Municipality also boasts of having investors in hospitality and horticulture Sectors. Naivasha Municipality and Nakuru City have undertaken a number of World Bank funded infrastructure projects through the Kenya Urban Support Programme (KUSP-UDG).

Some of the other projects being undertaken in Nakuru City and Naivasha Municipality include:

- ✓ Construction Of Sanitation Facilities in Barut and Pipeline Markets (Nakuru City) at Ksh. 5 million
- ✓ Establishment of GIS and Data Centre (Nakuru City) at Ksh. 11 million

- Purchase of Skip loader refuse truck and Five No. skip bins (Naivasha Municipality) at a cost of Ksh. 15 million

#### NAKURU COUNTY PUBLIC SERVICE BOARD

The Nakuru County Public Service Board draws its mandate from Section 59 of the County Government Act 2012. The Board is guided by the Code of Regulations for Civil Servants and the Public Service Commission Act among other relevant instruments. The Board is charged with the responsibility of maintaining high levels of professional ethics by affording adequate and equal opportunities to

all cadres of the County Public Service. It is also charged with establishing and abolishing offices in the County Public Service as well as engaging of staff into the County Public Service.

In the next MTEF period 2022/23-2024/25, the Board will continue to work towards enhancing service delivery by developing Human Resource Management system that will enhance speedy receiving of Job applications, long listing, and shortlisting of candidates and conducting interviews within a specified period, Setup video conferencing and automation of offices, purchase motor vehicle(s) for ease of transport. Similarly, the Board will continue to improve Human Resource productivity through staff and Board members trainings. The Board is also expected to develop its five years strategic plan. To achieve this, the Board has been allocated **Ksh. 79.3 million** for actualization of its planned programmes and projects.

#### NAKURU COUNTY ASSEMBLY

The County Assembly of Nakuru is an arm of the County Government mandated with representation and

oversighting the County Executive as well passing of Laws for the County. The County Assembly plays a crucial role in promoting democratic and accountable exercise of power in the County through progressive legislation, faithful representation and effective public oversight.

The County Assembly will play a critical role in the realization of the County's development agenda. The County Assembly appreciates that its programs are geared towards improving the welfare of the County and hence acknowledges the role played by its key stakeholders in the budget making process. Furthermore, the Sector will endeavor to meet the diverse expectations of the stakeholders which largely revolve around good governance, macro-economic stability and improved service delivery.

To achieve this, **Ksh. 1.560 billion** has been set aside for the Assembly's operations, payment of salaries and development.

#### **OBSERVING FISCAL RESPONSIBILITIES**

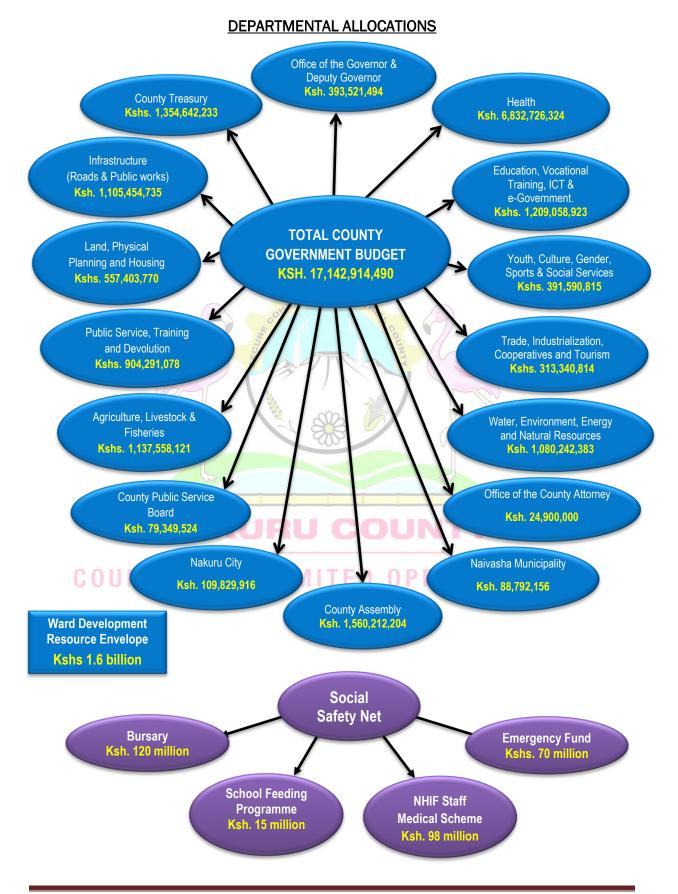

- a) As the County Government, we have ensured adherence to the ratio of recurrent to development expenditure of 30:70. In the FY 2022/20, recurrent is 70% while development 30%.
- b) The County shall through public participation and informed own source revenue projections ensure that a reasonable degree of predictability with respect to the level of tax rates and tax bases shall be maintained, taking into account any tax reforms that may be made in the future.
- c) As a County Government, we have ensured that our recurrent expenditure does not exceed the County Government's total revenue.
- d) To ensure fiscal risks are managed prudently, the County Government has improved its macroeconomic forecasts and regularly reviews the impact of macroeconomic projections and its implications to the budget.
- e) The County Government will put focus on ensuring the reduction of current debt through servicing of pending bills as guided by the Pending Bills Committee recommendations/report.
