S/No.	AGENDA	Deliberations	Resolution/Way forward
1	Preliminaries	The chairperson called the meeting to order at 2pm and invited Kimani Stephen to pray for the meeting.	
2	Chairman's Remarks	she thanked members for keeping time. She also reminded members that the budget ceilings for financial year 2024/2025 were approved by the County Treasury as reported to her by the Ag. Manager and hence she deemed it fit to call the meeting to discuss the same. She also noted that members are yet to be trained on the County Budget making process but that could stop the committee from deliberating on the day's agenda and report to the Full Board Meeting as that was one its mandates. She thereafter invited the manager to make a presentation to the committee on the day's agenda.	
3	Budget ceiling for financial year 2024/2025	The Manager observed that the Board's Economic officer was to	The Chairperson tasked the manager to

	<p>attend to the meeting so as to update the Committee more on the budget process but he conveyed his apologies as he was attending another meeting.</p> <p>The Manager informed the meeting that the County Treasury had approved budget ceilings for the financial year 2024/2025.</p> <p>He further noted that the Board was allocated Kenya Shillings eighty-four million (KSH.84,000,000) He further informed the meeting that Kenya shillings fifty million (ksh. 50,000,000) was set aside for development and Kenya shillings thirty-four million (KSH 34,000,000) for recurrent expenditure.</p>	<p>expound further and assist the Committee to understand development and recurrent budget.</p> <p>Stephen Kimani sought to understand the role of the Board in the budget ceiling.</p> <p>Pauline Mbuva inquired whether the Board recommend adjustments to the figures presented.</p> <p>In response, the manager noted that development budget is purely for projects and recurrent is for operations of the Board.</p> <p>He also added that the role of the Board in the process could be expounded further by Economist Thuo who was available on phone. He informed the Committee that at this stage, the role of the Board is to identify priority areas and forward to the County Treasury. He also informed the Committee that he is yet to finalise on the proposed budget to be presented to the Committee and promised to finish it the course of the week.</p>
--	---	--

The manager further informed the meeting that the figures as presented cannot be altered as they have already been approved. He also added that the economist will shade more light on the same at the later date as he will available.

The chair informed the meeting that the Committee shall present the figures and the manager's report to the Full Board Meeting for deliberations and adoption.

The chair noted that gender Mainstreaming and GRM has been added as a Terms of Reference for the committee , therefore there is need for the committee to appoint a focal person who will handle these TORs.

The committee proposed that the Municipal social Safeguard officer liase with the relevant bodies that handle Gender Issues and GRM , so as to get the Up to date Data.

12	AOB	<ul style="list-style-type: none"> • The chairperson clarified that she had not signed any budget without the knowledge of the Board as was being alleged. • Stephen Kimani noted that the Manager and the critical staff should ensure that Board Offices are operational • The Manager noted that his deployment to the Board is being handled internally and a breakthrough will be communicated soon. This will enable him move the offices full-time 	
13	Adjournment	There being no other business, the meeting ended at 3:50 pm.
