PUBLIC NOTICE

INVITATION TO PUBLIC CONSULTATIVE FORUMS FOR PREPARATION OF ANNUAL DEVELOPMENT PLAN 2025/2026

Pursuant to Section 126 of the PFM Act 2012, the County Government of Nakuru is in the process of preparing the Annual Development for the Financial Year 2025/2026. The Public Finance Management Act 2012, the County Governments Act 2012 and Article 201 of the Constitution of Kenya call for openness, accountability and public participation in financial matters.

In view of the above, the County Government of Nakuru therefore wishes to invite the residents of Nakuru to take part in the process through:

1. Giving proposals on programmes and projects to be implemented by the County Government of Nakuru during FY2025/26 with reference to the County Integrated Development Plan (CIDP) 2023-2027.
2. Identification of possible sources of funding for projects, strategies and cost saving measures and investment.

The County Government of Nakuru therefore requests all residents, organized groups, professionals, development partners and investors to attend and make contributions during the consultative public forums. Those presenting proposals are requested to align them with development priorities as set out in our 3rd Nakuru County Integrated Development Plan (CIDP 2023-2027) which can be downloaded from the Nakuru County website <https://nakuru.go.ke/finance-documents/>. PUBLIC PARTICIPATION REPORT ON THE PREPARATION OF ANNUAL DEVELOPMENT PLAN HELD ON 20TH AUG, 2024 AT FOREST HALL-GILGIL TOWN

1. INTRODUCTION

This report presents the outcomes of the Public Participation Forum conducted to collect views from residents of **Gilgil Municipality** to inform the preparation of the Annual Development Plan (ADP) for the Financial Year 2025/2026.

Public participation is undertaken in compliance with the Constitution of Kenya (2010), the Public Finance Management Act (2012), and other relevant legal frameworks that require citizen involvement in planning and budgeting processes

2. Objective of the Forum

The main objective of the forum was to:

- Present the proposed ADP priorities for FY 2025/2026.
- Provide an opportunity for residents and stakeholders to submit their development priorities.
- Ensure that community needs are incorporated into the County planning framework.

3. Summary of public views and departmental responses

Members of the public raised key development concerns mainly in infrastructure, education, and water sectors. The major issues included frequent flooding due to inadequate storm water drainage, poor road conditions, insecurity caused by insufficient street lighting, inadequate ECDE classrooms, and unreliable water supply in some areas.

The technical teams acknowledged the concerns and informed the forum that storm water management, road rehabilitation, installation of streetlights, construction and equipping of ECDE classrooms, and expansion of water distribution networks would be prioritized in the FY 2025/2026 ADP, subject to budget availability and technical feasibility.

4. Key observations

- There is a strong demand for infrastructure improvements, particularly drainage and roads.
- Equitable distribution of projects across wards emphasized
- Community members requested timely implementation and proper supervision of projects.

5. Conclusion

The Public Participation Forum successfully provided residents with an opportunity to contribute to the County planning process. The issues raised reflects the community priority needs, particularly in infrastructure, education and water sources. The views collected will be reviewed and integrated into the final ADP FY 2025/2026.
