

PUBLIC NOTICE

INVITATION TO PUBLIC CONSULTATIVE FORUMS FOR PREPARATION OF FINANCIAL YEAR 2026/2027 BUDGET ESTIMATES

The County Government Act 2012, PFM Act 2012 and the Constitution of Kenya 2010 call for public participation to enhance accountability and transparency in matters relating to public finance. The County Government of Nakuru is in the process of preparing its budget estimates for Financial Year 2026/2027 and the Medium Term.

The budget being a key economic policy document that will lead to realization of County strategic initiatives, the County Government of Nakuru therefore invites residents of Nakuru to take part in the process through:

1. Giving proposals on programmes and projects to be implemented by the County Government of Nakuru during FY 2026/2027 at the Ward level in compliance with Sections 6 and 7 of Nakuru County Revenue Allocation Act of 2018 and County Integrated Development Plan (CIDP) 2023-2027.
2. Identification of possible sources of funding for projects, strategies and cost saving measures and investment.
3. Giving proposals of projects to be undertaken under the Second Kenya Devolution Support Programme (KDSP II).

To this end, the County Government of Nakuru requests all residents, organized groups, professionals, development partners and investors to attend and make contributions during the consultative public forums. City and Municipality residents are also requested to raise other issues during the public participation touching their respective areas.

Project identification forms can be downloaded from the County Website (<https://nakuru.go.ke>) or collected from the various Ward Offices for the above purposes and to guide deliberation during Public Participation Forums.

The forums shall take place from 9.00am as per the dates and venues indicated below:
